

Free Car Seat Check

Your Child's Safety is Our Concern.

Certified child passenger safety technicians with Safe Kids Northeast Florida will teach you how to provide the safest ride possible for your child, at any age!

Need to make sure your car seat is installed correctly?

Make an in-person appointment at our

- Safe Kids Buckle Up™ inspection station
- Community car seat checks

You'll get one-on-one education from a certified technician at these locations!

For an in-person appointment, call **904.202.4302** for dates, times and locations.

Need a car seat?

Discounted car seats are available at our parent/caregiver workshop, including education for installing your seat in your vehicle.
