## Athlete Info

### Page 1

The Wolfson Children's Challenge presented by Subaru of Jacksonville is back for its 17th year and will feature a 5k and a 1-mile fun run, both designed to make the experience more inclusive and enjoyable for everyone. All proceeds benefit Wolfson Children's Rehabilitation, a unique resource for kids' health in Northeast Florida and South Georgia, offering comprehensive therapy services to help children of all ages with sensory, movement, feeding and communication difficulties.

An updated course along the St. Johns River and over the Acosta Bridge provides excitement and new challenges, but as always, courageous patients will be honored and there will be family-friendly activities for everyone to enjoy.

#### **Kids Village**

Join Dunkin' Donuts, Chic Booth, the 501st Legion of Star Wars, Code Ninjas, Jacksonville Jaguars D-LINE, Gator Clowns, Girl Scouts of Gateway Council, Safe Kids for Northeast Florida, Wolfson Children's Pharmacy and the Winston Family YMCA for a morning of family fun and activities!

**Pets/Dogs:** Only registered service dog are permitted on the course.

Police will be provided at all street crossings, and runners must obey their instruction.

Crossing streets and areas other than the designated crossing point will result in disqualification. Due to the course crossing active roadways, runners may be required to stop for traffic at the discretion of the Officers.

If this occurs, runners must comply and times will not be adjusted for such.

#### **Personal Music Devices and Headphones:**

The use of personal music devices with headphones while running is strongly discouraged. Races require that all runners be alert and aware of their surroundings at all times. Wearing personal music devices causes distractions and the inability to hear what is going on around the runner.

If you still choose to use them, you do so at your own risk and must meet the following requirements: 1. Hear traffic. 2. Be aware of the sounds around you 3. Be able to hear instructions from course officials when speaking at a reasonable tone (no yelling). Violations could result in disqualification.

#### **Strollers:**

The use of strollers / jogging strollers while running is discouraged, however, as a children's hospital event, we understand strollers, wheelchairs and running chairs are a natural feature, especially for the 1-Mile Fun Run. Please note, the route can be congested and can have sections where runners are travelling both out and back on the course.

#### **RESULTS**

Official results from the event will be streaming live at [www.secondwindresults.com](http://www.secondwindresults.com). Runners can also print out a receipt with their finish times and splits. Age Group awards will be awarded based on the results on your receipt printout, at our awards tent.
